A REVOLUTION IN THE GOLF CART INDUSTRY

Ever since the first Tara golf cart was conceived 19 years ago, we have built vehicles that challenge what is possible. These in turn have challenged their owners to explore new territories and conquer difficult terrain. Our vehicles epitomize our brand. Vehicles with exemplary design credentials and engineering capabilities. Which is how we continue to break new ground, defy conventions and encourage each other to go further. Tara truly enables you to make more of your world, to go above and beyond.

TARA's compelling exterior changes enhance the vehicle's sporting profile and exterior detailing, whilst its all-new interior provides a sophisticated, crafted, contemporary experience. The latest technologies help keep you safe, connected, informed and entertained.

Durability

STEERING HEIGHT ADJUSTMENT

Tara's innovative steering height adjustment stands out by enhancing driving comfort for individuals of all sizes. This feature allows for easy customization, accommodating each driver's unique preferences.

MULTI-FUNCTIONAL DASHBOARD

Tara's sleek exterior and modern interior elevate your golfing experience. The redesigned interior is engineered to minimize noise and prevent items from sliding, securely holding drinks, tees, golf bags, cellphones, and gloves. Additionally, Tara keeps you well-informed about the golf cart's status, ensuring a seamless and informed outing on the green.

Featuring a central scoreboard clip for easy score tracking.

COMFORT GRIP STEERING WHEEL

CONTROL SWITCHES

- Durable ignition switch key design.
- Direction selection knob for smooth transitions between gears.

HANDY, TANGIBLE, EASY ACCESS

BUILT-IN DASH REFRIGERATOR

Perfect for keeping refreshments cool, making it the ideal addition for a day on the greens. Enjoy chilled beverages anytime during your game.
